VOL. XI, NO. 5.
JANUARY 1963

BULLETIN of the MASSACHUSETTS RIFLE ASSOCIATION, WOBURN, MASSACHUSETTS.

The next regular meeting of the Board of Directors will be held on Tuesday, February 5, 1963, at the Club at 8 p.m.

NEW MEMBERS

At the last Board meeting, the following new members were admitted to the Club:

Francis A. Danahy	2 Colonial Village Drive	Arlington
Francis D. Carey	75 Hume Avenue,	Medford
Allan G. Bickum	529 California Street	Newtonville

Welcome to our Club, gentlemen! A COPY OF THE BY-LAWS IS YOURS FOR THE ASKING. THE CLUB RULES ARE POSTED IN THE CLUB ROOM. PLEASE BE SURE TO READ THEM.

SAD NEWS

We regret to announce the passing of one of our oldest members in years of service to our Club,

J I M D R U M G O O L E

He devoted years of valuable services to our Club, and he will be sorely missed by many for a long time.

CARELESSNESS

It has come to the attention of the Range Committee that some trigger-happy shooter is letting his shots off before he is on the target, with the result that his shots are skidding off the floor about half way to the target area.

This is an EXTREMELY DANGEROUS PRACTICE, and MUST BE DISCONTINUED.
Keep your finger OFF THAT TRIGGER until you are ON TARGET!

DUES

Yes, it's that time again. If you have mislaid your bill, the address of the Treasurer is, John F. Roberts, 32 Varnum Park, Waltham 54, Massachusetts. You can forget it for another year IF YOU DO IT NOW!

RANGE COMMITTEE

Our Match Schedule for the coming outdoor activities usually involve much time and consideration, and should be set in motion without delay. Also, the condition of the outdoor range, from a safety standpoint, is very important, and should be given very careful thought.

Time is short, activities usually start around March 1st - only a short month and a half away! Need I say more?

HOW ABOUT IT?

One of our members, Harold J. Warren, has just returned from a very successful hunt in India. He bagged a large tiger, a near-record panther, and two Sam'bar, one of which he is having mounted and is presenting to the Club.

MATCH RESULTS: The Gerrish Match was won by Pete Matson with a score of 200-10. Harold Thompson was second with 199-9. Ross Hysom was the winner of B with 197-5, and Ken Perry was second with 194-7. Others who shot were: W. Cullen, 198-11; A. White, 198-10; J. Ramsay, 198-6; R. Tarbox, 195-4; B. Friescke 194-5; and Fred Kerns, 182.

The D. A. Knight Trophy Match was won by Hank Bainbridge with a 270-8 score, and Arthur White was second with 251-2. These were the only completed scores in the match.

C. U. on the Range,
The Target Boy.

MARCH 1963

Bulletin of the MASSACHUSETTS RIFLE ASSOCIATION, Woburn, Massachusetts

The next regular meeting of the Board of Directors will be held on Tuesday, March 5, 1963, at the Club, promptly at 8:00 p.m.

NEW MEMBER At the last Board meeting, the following new member was admitted to the Club:

Richard L. Paddock 8 Grove Hill Avenue, Newtonville

Welcome to our Club, Mr. Paddock! A copy of the By-laws is yours for the asking. The Club rules are posted in the Club Room. BE SURE TO READ THEM!

OUR RANGE COMMITTEE will have a schedule of matches for the coming year to present to the Board of Directors for their approval at the March meeting.

Contrary to weather conditions, our outdoor activities are close at hand, and your only chance to get in condition at the present time is on the indoor range. Last year, the first match was held on March 18th, and conditions were safe to shoot outside several days in advance

Yes, I know, money is important, but secretly, you know that shooting is more important. After all, what is there in life, for SUDDENLY YOU'RE OLD!

OUR INDOOR PISTOL AND RIFLE TEAMS ... are doing well. The Pistol Team in particular.

From present indications, they stand a very good chance to finish their schedule in first place. Our Rifle Team has lost two matches, but they should be no worse than second place.

WE DON'T KNOW ... whether the Eastern Massachusetts League will be able to resume their series of matches at Camp Curtis Guild this year. Latest information is that the range is restricted to armor piercing ammo, and only the 200 and 300 yard ranges are open. Also, there are only about 40 targets available. (FLASH) We have just heard that the Adjutant General, Commonwealth of Massachusetts has given the league permission to use Camp Curtis Guild for our regular five match season to be selected from the following dates: April 27, May 4, 11, 18, 25, and June 8, 1963. The matches will be held as usual on Saturday afternoons, and the league has been limited to 38 teams. At this meeting we expect to have specific information with regard to the calibers that can be used.

The Annual Meeting of the Eastern Massachusetts Rifle League will be held on Thursday, February 28, 1963, at 8:00 p.m., at the Arlington Rifle Club, Inc., Russell Street, Woburn, Mass. There will be election of officers and a review of league rules. IT IS IMPORTANT THAT EACH CLUB BE REPRESENTED AT THIS MEETING.

THE MASSACHUSETTS STATE GALLERY (Rifle) CHAMPIONSHIP ... will be held at Hanscom Field on March 23-24. Complete details are posted on the Club bulletin board.

DUES If you have not already paid your dues, better take care of it now! The deadline is the end of March, and that will be here before you know it. If you have mislaid your bill, our Treasurer is John F. Roberts, 32 Varnum Park, Waltham 54, Mass. DO IT NOW!!!

A MATCH There will be a 200 yard off-hand Rifle Re-entry Match at the Arlington Rifle Club on Sunday, March 24, 1963. Complete details of the conditions and Rules are posted on the Club bulletin board.

APRIL 1963

Bulletin of the MASSACHUSETTS RIFLE ASSOCIATION, Woburn, Massachusetts.

The next regular meeting of the Board of Directors will be held on Tuesday, April 2, 1963, at the Club, promptly at 8:00 p.m. Hope to see YOU there!

NEW MEMBER At the last Board meeting, the following new member was admitted to the Club:

Edward Sousa 10 Rock Street, Woburn, Massachusetts.

Welcome to our Club, Mr. Sousa! A copy of the By-Laws is yours for the asking. The Club rules are posted in the Club room. BE SURE TO READ THEM!

CLUB RULES It seems there are still violations of the Club rules, whether because of neglect or ignorance of the rules - or W-H-Y ???

DO'S and DON'TS Don't set the thermostat above 70 degrees. It will not warm up any sooner even when set at 90! Don't forget to turn off all lights and oil burner. Don't forget to pick up your brass. Don't put anything but brass in the brass box. ... do register BEFORE SHOOTING!

EASTERN MASS. RIFLE LEAGUE ... will hold their seasonal series of matches at Camp Curtis Guild, Reading, Mass. The date are Saturdays, April 27th, May 4th, May 11th, May 18th and May 25th.

Ammo: The maximum range of any ammo used shall not exceed 3150 yards. Government issue armor piercing can be used, but government ball (150 gr.) and Match (172 gr.) as issued, are forbidden. The .22 rifle can be used, and reloads that conform to the 3150 yard limit.

It is important that the shooters cooperate in strictly following the rules on ammunition.

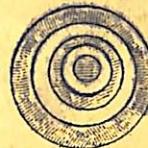

The deadline for registration is April 15, 1963. The first 38 teams entered with their team fee of \$33.00, will make up the league.

All club members who are interested to shoot in these matches are urged to so signify by registering on the blackboard in the Club room, or call WE 3-3128 or WE 3-4786. In view of the limited number of teams, all who wish to participate are requested to make their reservations on or before April 2, 1963. Each contestant will be required to pay a fee of \$1.10 per match before firing, and must also furnish his own ammunition.

DUES LAST CALL FOR DUES! If the annual dues of any member shall remain unpaid for three (3) months, his membership shall cease and he cannot be reinstated except by vote of the Board of Directors and payment of all arrears to the Association - and then only as an Associate Member. D O I T N O W !!

All members who have Club Trophies in their possession, will please return them to the Club at once.

April 1963

Bulletin of the MASSACHUSETTS RIFLE ASSOCIATION, Woburn, Massachusetts.

The next regular meeting of the Board of Directors will be held on Tuesday, May 7, 1963, at the Club at 8:00 p.m. This is a very important meeting as some action should be taken to correct a situation which vitally affects our outdoor shooting. Please make every effort to be present.

NEW MEMBERS At the last Board meeting, the following new members were admitted to the Club:

Laszlo N. Lontai	222 Columbia Street,	Cambridge
Russell Robinson	41 Dragon Court,	Woburn
Walter Drover	29 Dragon Court,	Woburn
Joseph Anselmo	12 Langley Road,	Arlington

Welcome to our Club, gentlemen! A copy of the By-Laws is yours for the asking. The Club rules are posted in the Club Room. BE SURE TO READ THEM!

AT THE LAST MEETING the action of the Board at the March meeting, pertaining to shooting fees at the Eastern Massachusetts Matches at Camp Curtis Guild, was reversed at the April Board meeting.

The first match will be shot on Saturday, April 27, 1963. Practice firing will cease at 12:30 p.m. The matches will start at 1:30 p.m. We have entered two teams.

The maximum range of any ammunition used shall not exceed 3150 yards. Government issue Armor Piercing Ammo. is permitted, but Government Issue Ball and Match Ammo. are forbidden.

Complete rules for these matches are posted on the Club Bulletin Board.

OUR OUTDOOR SHOOTING IS TEMPORARILY RESTRICTED TO 200 YARD SHOOTING, and TRAP SHOOTING.

Due to the efforts of one of our Board members, our water system at both the Club House and the Rangekeeper's residence has been tested and found to be good. Also, we have obtained a very limited supply of copies of Department of Public Safety Board of Fire Prevention Regulations, pertaining to the keeping, storage, use, manufacture, sale, handling, transportation or other disposition of explosives. A copy is posted on the Club Bulletin Board.

PLEASE DO NOT REMOVE ANY MATERIAL FROM THE BULLETIN BOARD. THIS IS A VIOLATION OF CLUB RULES.

One voting member and fourteen Associate Members have been removed from the rolls for non-payment of dues.

There is no indigestion worse than that which comes from having to eat your own words.

The next regular meeting of the Board of Directors will be held on Tuesday, June 4, 1963, at the Club at 8 P.M.

NEW MEMBERS At the last Board meeting, the following new members were admitted to the Club:

Harry J. Rivers	196 Tremont Street	Newton
Norman R. Bryden	17 Lowell Street	Waltham
James R. Mackall	30 Wayland Street	Dorchester

Welcome to our Club, gentlemen! A copy of the By-Laws is yours for the asking. The Club rules are posted in the Club room. PLEASE BE SURE TO READ THEM!

OUR LAST BOARD MEETING ... was very well attended - there were only two absentees.

The situation at the three outdoor short ranges was the main topic of discussion. Due to the favorable action of the Board, a contractor has been engaged to construct two additional safety barriers similar to the present barrier at the 200-yard range, in front of the 100, 50 and 25-yard ranges. His contract also includes an embankment between the 100 and 50-yard ranges of sufficient height so that the 100-yard shooter will not be required to cease firing when the shooters at the 50-yard range wish to change their targets. Work on this project will begin at once, and we expect construction to be completed within thirty days.

ANCIENT HISTORY The results of the Club Gallery Rifle and Pistol League Matches should have been reported in the previous bulletin. My apologies. Both teams finished their schedules in second place.

EASTERN MASSACHUSETTS LEAGUE Three of our scheduled five matches have been completed and the results are as follows:

Our first team finished in tenth place in the first match, and eighth in second. Our second team finished in 21st place in the first match, and 20th place in the second. There are 24 teams competing in this schedule of matches. The results of the third match is not available at this writing, but with the rain and snow and wind, conditions were the worst that the Target Boy has ever experienced.

MOONLIGHT MATCHES The Annual Schedule of Moonlight Matches at the North Reading Club begin on May 15th, and will continue every Wednesday thereafter through October 2, 1963. This year they will attempt to have one relay only, and the starting time will be not later than 9:00 p.m.

A complete schedule of High Power Rifle Matches, sponsored by the Reading Rifle & Revolver Club, is posted on the Club bulletin board.

Our State Rifle & Pistol Association bulletin of shooting activities is also posted on the Club bulletin board. These matches include High Power Rifle, Pistol, Small Bore Rifle and Benchrest activities.

NOTE CAREFULLY Work on our two additional Safety Barriers mentioned in the last Club bulletin, has been completed and all ranges are now open. A word of caution to all pistol shooters. NO PISTOL SHALL BE RAISED TO A POINT WHERE AN ACCIDENTAL SHOT WILL CLEAR THE TOP OF THE SAFETY BARRIER.

Due to recent reports of serious disregard of safety conditions in the use of the 200-yard range, the Board has found it necessary to apply new rules pertaining to the use of this range.

"No person other than Club members, and/or those military personnel authorized with range privileges, and/or any other person, unless accompanied by an adult Club member, will at any time be allowed in or about the 200-yard Butt House."

These rules will be incorporated in a new set of Range Safety Rules which will be available in the near future. VIOLATION COULD MEAN LOSS OF MEMBERSHIP.

OUR LAST BOARD MEETINGS were not very well attended. We barely had a quorum.

Several of our Board members are now in default, according to Section 3 of Article III, of the By-Laws.

THE ANNUAL MEETING

Our next Board meeting - TUESDAY, SEPTEMBER 10th - is the last meeting preceding our Annual Meeting in October.

IT IS IMPORTANT THAT WE HAVE A GOOD ATTENDANCE AT THIS MEETING, AS PLANS MUST BE MADE FOR THIS ONE MEETING WHICH MANY OF OUR MEMBERS LOOK FORWARD TO.

Also, at this meeting, the new Range Safety Rules mentioned in the previous bulletin will come up for final approval before going to the printer.

GALLERY SHOOTERS

The Gallery Season is not far off - the first Rifle Match last year was held on November 16th. Team Captains should call a meeting of all interested shooters, and make the necessary plans for the coming schedule - provided there is enough interest shown in this type of shooting.

MATCHES TO COME

September 21 and 22 - The Victory Trophy

15 shots slow fire - prone - iron sights - 200 yards
Decimal target - for Members Only.

Unless our members display more interest in our Match Schedule, this part of our annual program is in danger of becoming a complete washout, not only for the balance of this year, but next year as well.

The previous three matches were cancelled because of lack of sufficient contestants.

COULD THIS BE BECAUSE OF THE SUMMER VACATION SEASON?
WITH FALL AND WINTER SOON AT HAND, LET'S SEE!

Welcome to our Club, gentlemen. A copy of the By-Laws is yours for the asking. The Club rules are posted in the Club Room. PLEASE BE SURE TO READ THEM.

RANGE RULES The new Range Rules are expected to be available within the next ten days.

In view of the fact that very few members have availed themselves of the opportunity of obtaining a copy of our By-Laws, incidentally at no charge, which has resulted in frequent violations of rules which are incorporated in the By-Laws, especially part 12, Article VII, the Board felt that Safety Rules would be much better observed and adhered to if each and every member were charged a nominal fee for a copy, which fee was set at 25¢.

These rules are a codification of those practices which experience has shown to be most conducive to SAFETY, and to the maintenance of good public relations.

Their observance is of the utmost importance to the safety of the individual and the welfare of the Association and the sport of shooting.

ANY VIOLATION OF THESE RULES WILL RESULT IN THE IMMEDIATE SUSPENSION OF RANGE PRIVILEGES, AND MAY RESULT IN EXPULSION FROM MEMBERSHIP UNDER THE PROVISIONS OF PARAGRAPH 6, ARTICLE VII, OF THE BY-LAWS OF THE ASSOCIATION.

BE ON THE SAFE SIDE. GET YOUR COPY!

IMPORTANT - All future applications for membership must be accompanied by the complete fee, which is now \$31.90. Yearly dues remain unchanged at \$10.00, plus \$1.90 for insurance.

GALLERY - Our Gallery Pistol Team's average is .500 - having won 2 and lost 2. Our Gallery Rifle Team has lost their first 2 matches, the last by 1 point.

DEER HUNTERS - Pete Matson returned from a successful trip to Maine with a real mixed up animal - a doe with one spike about 7" long. Results of other members are not reported at this writing.

OUTDOOR ACTIVITIES - Jack Frost will soon bring a halt to our outdoor shooting, and we will be compelled to restrict our activities to the Indoor Range, on account of the danger of ricochets. Who wants to chatter off shots in the cold, when you can squeeze them off in comfort, inside?

SICK LIST - Harold Morrill is still confined to the Catherine Barton Rest Home, Route 30, Cochituate, Mass. Visiting hours are 2:00 to 4:00 p.m. Harold is vitally interested in M.R.A., having been a member for a good many years, and eagerly looks forward to news of our Club.

Why not take time out to drop in to say 'hello', or if you can't possibly do that, drop him a get well or holiday card. I am sure he will appreciate it no end, and it will certainly help to shorten his stay.

THE OFFICERS AND THE BOARD OF DIRECTORS WISH TO TAKE THIS OPPORTUNITY TO WISH EACH AND EVERY MEMBER AND THEIR FAMILIES, A VERY MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR!

The Target Boy

P.S. - If you are in doubt as to whether the range is open to outdoor shooting, a telephone call to 933-3128 will bring you up to date!
